I bought a new red dress to lift my spirits up
And just like you did, Honey, it cost me way too much
Next time you see me I bet you take a second look
You'll wonder why I look so good

CHORUS:

You'll never know how much I miss you
You won't see it in my face
You'll never know I'll never find another
That could take your place
'Cause I'll be smiling when I see you
No, my tears won't ever show
Yeah, I might always love you
But you'll never know

I saw you out last night and you seemed so surprised
That I could walk right by and not blink an eye
To look at me you'd probably think I'm doin' fine
Good thing that you can't read my mind

CHORUS

(Guitar solo)

(You'll never know)

CHORUS (with intensity)

You'll never know
You'll never know
Oh, oh, oh
You'll never know----
Oh, oh, oh, woah, oh
Never know
oh
(You'll never know)
