Don't Believe it  
Can't see it  
anywhere  
at the party  
on the stairway  
in the lie

Keep me waiting  
I'm afraid of  
what you'll do  
across the room and  
standing closer  
but I know you're not there

You told me  
You'd be with me  
You told me  
Ohhhhhhh

You don't care  
You'll tell anyone  
It's not fair  
You don't care  
You don't care!  
You'll tell everyone  
It's not fair  
You don't care

In the back room  
In the dark night  
everyones around  
fooling everyone I know  
You do it all again  
We do it all again and again and again

You told me  
You'd be with me  
You told me  
Ohhhhhhh

You don't care  
You'll tell anyone

It's not fair  
You don't care  
You don't care!  
You'll tell everyone  
It's not fair  
You don't care
