All I Wanted
Was to be wanted
all I needed
Was to need what I'm feeling
by the radio
with the lights turned off
and you never really knew about it
and you never really did know
[x2]

If you say I'm wrong
Then I know I'm sorry
If you say I'm wrong
It would mean goodbye
And you would not hang around
Or you might
You will not hang around
here tonight

All I Wanted
Was to be wanted
all I needed
Was to need what I'm feeling
by the radio
with the lights turned off
and you never really knew about it
and you never really did know

It's a Modern Love
And its not enough
for me to know
and you to find out
It's a modern love
It's impossible for me
to love you more than I do now
Here tonight, Here Tonight
