In my head  
On the street  
The things I see  
Just because  
Because I feel  
So free

I'm not afraid of you  
No matter how hard you try  
This is what's meant to be  
and you know why

Wait so long  
To believe  
All we need  
Take my hand  
Can't imagine  
Anything

I'm not afraid of you  
No matter how hard you try  
This is what's meant to be  
and you know why

All alone when you call  
and it feels so right  
on a summer's night  
Feel the breeze in our hair  
As we walk alone  
Over and over and over and over and over and over

I'm not afraid of you  
No matter how hard you try  
This is what's meant to be  
and you know why
