You Call
Me late at night
Don't know what
Stops you from falling

I wonder if
you feel inside
Everything that you hide
You try to find
Is it something that you wish
To make me seem like a fool again?
Falling down with you
is all I have to do

You feel
Focused again
Don't know what
Keeps you from calling

I wonder if
you feel inside
Everything that you hide
You try to find
Is it something that you wish
To make me seem like a fool again?
Falling down with you
is all I have to do

Come on, Come on, Come on
Ahhhhhh

I wonder if
you feel inside
Everything that you hide
You try to find
