You with your masquerading
And you, always contemplating
What to do in case
Happiness found you

You can't see
That it's all around you
So follow me

Hey, come on, babe
Follow me, I'm the Pied Piper
Follow me, I'm the Pied Piper
And I'll show you where it's at

Come on, babe
Can't you see, I'm the Pied Piper
Trust in me, I'm the Pied Piper
And I'll show you where life is at

Girl, don't be scared to move
Hey, babe, what are
You trying to prove

It ain't true that
Your life has kicked you
It's your mind and that's
All that's tricking you
So fall in line

Come on, babe
Follow me, I'm the Pied Piper
Follow me, I'm the Pied Piper
And I'll show you where it's at

Hey, babe
Can't you see, I'm the Pied Piper
Trust in me, I'm the Pied Piper
And I'll show you where life is at

Hey, babe
Come on, babe

Follow me, I'm the Pied Piper
Follow me, I'm the Pied Piper
And I'll show you where it's at

Hey, babe
Can't you see, I'm the Pied Piper
Trust in me...
