Jamming down the highway, feelin' no pain  
Thanks to Mother nature, two wheels and a chain  
It's good to be alive and the Sun is shinin' brighter  
Whisper in my ear, girl, hold on a little tighter

(Chorus)

You know it's alright. living and lovin' every day and  
night  
Thanking the lord for the music in me  
Piece of mind and feeling free

Soon I'll be on the road, pickin' guitar  
Knowing that my home ain't very far  
But don't you worry sweet thing 'cause you know I'll be  
there  
To kiss my Tennessee girl with the long golden hair

(Repeat Chorus)

Some say I'm livin' too hard but it couldn't be better  
I know I'll be movin' on sooner or later  
So all I'm asking you is to give me a hand  
and think of me Girl as I travel the Land

(Repeat Chorus)
