It's my life mhm God was the one to give it
And I ain't gonna let nobody tell me how to live it
It's my song right or wrong you can tag along or you
can stay behind

They're my troubles don't you let them worry you none
When I signed on to be a man I knew I was gonna have
some
Like I say go or stay either way you ain't gonna change
my life
You ain't gonna change my life

Now I'm lowdown and I'm lazy I'm ragged but I'm real
And I ain't never been nobody's pride and joy
Yeah and you can take a boy out of the country
But you can't take all the country out of the boy

Well they're my troubles don't you let them worry you
none...

It's my song right or wrong you ain't gonna change my
life
I said it's my life you ain't gonna change my life oh no
