Stroker Ace was born to race
He had a mean streak two feet wide
A son of a gun with a taste for fun and more than his
share of pride
Take a dirt road curve with a devils nerve
Make a car dance across the mud
And haulin' shine was his regular line till the track got
in his blood
Was a real hot shot and he bragged a lot, but man that
fool could drive
Cause he loved the feel of the steering wheel and the
girls with bedroom eyes
And in a race of time or a bar room fight, Ol' Stroker
stole the show
A back stretch blazer, a real hell raiser and a racetrack
Romeo

Mama lock your daughters up
That vile bunch is back in town
And them little girls get frisky when they hear that
racecar sound
They're bringing out the yellow flag; somebody's
brakes have failed
There's an alsike on the inside and a wreck along the
rail
You'd better stand on it Stroker cause a bandit's on
your tail

It's a dynamite joy for a country boy when he hears
them engines moan
But you've gotta hang tough when it gets real rough
when you're out there on your own
Cause they'll push you down, they'll knock you down,
they'll shove you up against the wall
And you always know when the engine blows that a
man can't win 'em all
You can push that car just a little too far any Sunday
afternoon
And if you'd break your neck in some damn fool wreck
they'd forget about you soon
But Ol' Stroker Ace was born to race
And it's worth all the trying

Just the dirt champagne in the victory lane and to hear
that concrete whine

Stroker get your dander up this aint no time to laugh
You've got to make the lap up if you're gonna take that
checkered flag
Number 10 is closin' in to even up the score
It's time to wave bye bye and put the pedal on the floor
You'd better stand on it Stroker cause your blowin' off
their doors

Blow their doors off Stroker

Stand on it, son

Ahh, you good lookin' devil you
