Living hard was easy when I was young and bullet  
proof  
Had no ties to bind me just a pickup and a roof  
I emptied every bottle when I poured I never missed  
Had bloodshot eyes at twenty five or was it twenty six

Didn't seem to matter what price I had to pay  
Cause anything worth havin' I'd just lose anyway  
Friends worried about me and they asked if I was sick  
Thought I would die at twenty five or was it twenty six

Those two years blend together like whiskey over ice  
Melting into mem'ries like somebody else's life  
I'm glad to say I've come around but if I could have one  
wish  
I'd like another try at twenty five or was it twenty six

I met a girl from Georgia smart and pretty college grad  
Thought my luck was changin' up to then it'd all been  
bad  
I guess I fell in love all it took was just one kiss  
But she said goodbye at twnty five or was it twenty six

Those two years blend together like whiskey over ice...

Yeah I've been down the road prob'ly been as far as  
hell  
Deception or redemption I guess only time will tell  
I have faith in the knowledge that God gave us a gift  
I couldn't hide at twenty five or was it twenty six

Those two years blend together like whiskey over ice...  
I'd like another try at twenty five or was it twenty six
