One, two, three, go

Why don't you love me
Like you used to do
Why don't you squeeze me
Like you used to do

Why, why, why
Don't you be my girl

Why don't you say
The things you used to say
Why don't you say them
In the same old way

Why, why, why
Don't you be my girl

There ain't no use in
Fighting the way we do
You're gonna break my heart
Now I'm gonna break yours too

Why don't you use sense
And forget the past
Why don't we build our love
So it can last

Why, why, why
Don't you be my girl

There ain't no use in
Fighting the way we do
You're gonna break my heart
Now I'm gonna break yours too

Why don't you use sense
And forget the past
Why don't we build our love
So it can last

Why, why, why
Won't you be my girl
