Oooh...

My darling, oh, I love you so
Don't know what you do to me
You make my heart feel so free

I'd like to know
Why do I love you so
Oh, my sweet Deserie

At my best to behold
My love for you, dear
I could not console

So you got my heart
From the start
Oh, my sweet Deserie

Say you love me

Darling, say we'll never part
Your love for me, dear
Lives in my heart

Tell me why
Should I make you mine
My Deserie

I love you
