Oh, oh, oh...

So you're walking away
So you wanna call it a day

Think of how I'm trying
To keep our love
To keep our love from dying, oh
If you should go

Though I hurt you
I still love you, baby
And I, I, I let you down
I, I ran around

Can't you see I'm pleading
For the love, for the love
That I'm needing so
Baby, don't go

I still love you
Can't you see it, baby

And love is all I have to give
And one life, that's all
That's all I've got to live

Say, say you'll forgive
And let me live again

I wanna live again
(I wanna live again)
I wanna live again
(I do, I do)

I wanna hold you tight
(Hold you tight)
Every day and night
(Every day and night)

I want you in my arms
(I want you in my arms)

I want you close to me

Baby, can't you see
I need you here
I wanna hold you, dear
(Every day of my life)

Think of how I'm trying
To keep our love
To keep our love from dying, oh
Baby, don't go

Though I hurt you
I still, I love you, mama

And love is all I have to give
And one life, that's all
That's all I've got to live
I wanna live now

Say, say you'll forgive
And let me live again

And one life
That's all I gotta live

Whoa, mama
Wanna hold you tight
The second time around
Gonna be all right

You don't know
What you mean to me
Without you
I'm blind and cannot see

Darling, my life without you
