(BAZOOM) I NEED YOUR LOVIN'
The Cheers

The music was playing
The moon was shining bright
I heard someone saying
Oh what a lovely night
I turned around and
I saw you standing there
I still remember
The flowers in your hair
Sweet love lovin
Lover please come back
(I need your lovin)

One night of heaven
That's all I ever got
Eight to eleven
It ended on the dot
That's when it happened
The very thing I feared
I closed my eyes once
And then you disappeared
Sweet love lovin
Lover please come back
(I need your lovin)
(Need your lovin)

I been goin crazy
Searchin for my lovin baby
Going up and down the street
And asking everyone I meet
If they have seen an angel anywhere
With pretty flowers in her hair
Tell me, where can she be

Love, love, lover (Bazoom)
My tears are fallin for ya
Love, love, lover (Bazoom)
My heart keeps callin for ya
I need ya badly (Bazoom)

You know I love you madly
Feel so forsaken (Bazoom)
My heart is almost breakin
Sweet love lovin
Lover please come back

Need your lovin
I need your lovin Bazoom Bazoom, Bazoom... FADE
