Hey yo Mac  
Yeah  
I don't think they're ready for this  
Na na

Hey yo, all I want is one beat  
One song, one rhyme, just one verse  
With one line, one time  
Cause I'm here to spread the word  
It ain't what you see, yo, it's what you heard  
So cmon, cmon, cmon, cmon  
It don't matter who are just cmon  
White, black, brown, Puertorican, or Hajen  
It don't matter who you are, we one hip hop nation  
So cmon, cmon, cmon, cmon  
If you like it what we're saying, then c'mon  
We can turn the party out, make the people scream and  
shout  
And then my DJ's gonna do his thing

Uh huh, yeah  
DJ cut & cut, cut em up  
Yeah, uh

Cmon, cmon, cmon, cmon  
If you like it what we're doing, then cmon  
We can turn the party out, make the people scream and  
shout  
And then my DJ's gonna do his thing

Cmon, cmon, cmon, cmon  
If you like it what we're saying, then c'mon  
We can turn the party out, make the people scream and  
shout  
And then my DJ's gonna do his thing

Uh, woo  
Hey, yo Mac  
Yeah  
Man I told ya they wasn't ready for this  
Ah ha, ah ha, ah ha  
One love (one love)

Yo, yeah  
Real hip hop music
