Uh Huh, life's like this
Uh Huh, uh Huh
That's the way it is.

Cuz life's like this
Uh huh, uh huh
That's the way it is

Chill out
Whatcha yelling for?
Lay back
it's all been done before
And if you could only let it be you would see

I like you the way you are
When we're driving in your car
And you're talking to me one-on-one
But you've become

Somebody else, round everyone else
You're watching your back, like you cant relax
You're trying to be cool , but youre looking like a fool to
me
Tell me

Why'd you have to go and make things so complicated
I see the way you're
Acting like somebody else gets me frustrated
Life's like this and you,
and you fall and you crawl and you break and you take
what you get
And you turn it into
Honesty and promise me
I'm neva gonna find you fake it
nonono

You come over announced
Dressed up like you're something else
Where you are and where its at you see
You're making me, laugh out
When you strike a pose, take off
All your preppy clothes

You know you're not fooling anyone
When you've become

somebody else, round everyone else
Watching your back, like you can't relax
You're trying to be cool, you look like a fool to me
Tell me

Why'd you have to go and make things so
complicated?
I see the way you're acting like you're somebody else
Gets me frustrated, life's like this you
You fall and you crawl and you break and you take what
you get
And you turn it into
Honesty you promised me
I'm never gonna find you fake it
No no no (no no no)
No no

Chill out
Whatcha yelling for?
Lay back it's all been done before
And if you could only let it be, you would see

Somebody else, round everyone else
You're watching your back, like you can't relax
You're trying to be cool, you look like a fool to me
Tell me!
