Are you sure that you're up for this?
Do you think that you can handle it?
It's complicated
You might get frustrated

We got the moves that you never seen
Let me show you just what I mean
There's really no chance
That you can do our dance

Can't keep up
Can't keep Up
No

Try to keep up
Try to keep up
Yeah

Can't keep up
Can't keep Up
No

(Oh no, uhum, uhum)
(Oh no, show me what you got)

Try to follow, watch me now
If you think that you know how
Then dance me (dance me)
Dance me if you can

Get it together or fall apart
If you think it's not that hard
Then dance me (dance me)
Dance me if you can

Dance me if you can
Dance me
Dance me if you can

I Know you think that you're in control
But watch and learn
'Cause this is how we roll

Work it just like this
Let's see you try and to do that

What's the matter?
Can't you figure it out?
'Cause you look confuse, mixed up, no doubt
There's really no chance
That you can do our dance

Can't keep up
Can't keep Up
No

Try to keep up
Try to keep up
Yeah

Can't keep up
Can't keep Up
No

(Oh, oh, c'mon, c'mon)
(Yeah, yeah, show me what you got)

Try to follow, watch me now
If you think that you know how
Then dance me (dance me)
Dance me if you can

(Oh yeah)

Get together or fall apart
If you think it's not that hard
Then dance me (dance me)
Dance me if you can (yeah)

Is that the best that you can do?
You gonna have to try much harder

Now's the time to make your move
You now...
Hey, hey, get ready
Hey, hey, let's go

(That's right)
(Here we go)
(Yeah, yeah, yeah)

Try to follow, watch me now
If you think that you know how
Then dance me (dance me)

Dance me if you can

Get together or fall apart
If you think it's not that hard
Then dance me (dance me)
Dance me if you can

Everybody wants to win (wants to win)
If you think that you can handle it
Then dance me (dance me)
Dance me if you can (hey)

Never easy,
That's the way (that's the way)
If you think you got what it takes
Then dance me (dance me)
Dance me if you can (dance me if you can)
