Follow me into my world  
Let your worries fade with every step you take  
Baby, Whatcha' waiting for  
Let the tango take control  
Feel the music inside your soul (Oh)  
My hand is out, just grab a hold

Watch time fade away  
My arms will keep you safe  
It's just you and me  
Dancing in this dream

Whatever you do, don't wake me up  
I know the feelings real, I won't let it  
Stop, no

[CHORUS:]  
(Don't) be afraid, take my hand  
Forget the world  
Will you dance, dance with me  
Pudemos bailar eternamente  
(We shall dance eternally)

Trust in me, Take a chance  
Feel the tango  
When you dance, dance with me  
Pudemos bailar eternamente  
(We shall dance eternaly)  
Now I have you next to me  
Everything is how it should be (oh Yeah)  
Baby, don't fight the feeling  
We're floating on the clouds,  
If I could I'd never come back down (no No)  
Baby, Let's just keep on groovin'

As time fades away  
MY arms will keep you safe  
It's just you and me  
Dancing in this dream

Whatever you do, don't wake me up  
I know the feeling's real, I won't let it

Stop, no

[CHORUS]

Dance with me  
(I'm dancing with you)  
For this moment in time  
(My dreams have come true)  
My darling just dance with me  
If for only one night

[CHORUS]
