ooooooooOOOooOOOoOOo

Chanel

No one can hold us back when we're set to go

Aquanette

No one can tell us that we're not ready when we're
ready to flow

Dorinda

Lead by example

Here's a sample on the floor

Chanel

Yeah, try a little harder; move a little faster if you can't
find

The strength you're after

Chorus:

Dig a little deeper, dig a little deeper

Just like we had to do, just like we had to do

You've got to dig a little deeper, dig a little deeper

ooooooooOOOooOOOoOOo

Aquanette

We're celebrating like we never did before

Dorinda

Went through the fire, took it higher, check the score

Chanel

If you wanna be a leader check your ego at the door

Aquanette

Yeah, be a trend setter, be a go-getter if you want to do
Everything better

Chorus

All Cheetahs

Don't ask the question, what it is you should do
Just take some action, it'll come to you
It's all connected all you have to do
Is move baby, move baby, yeah, yeah, yeah
You're on a roll, let it go, lose control
Don't you know it's the best thing you can do

ooooooooOOOooOOOoOOo (dig a little deeper!)

Chorus (2x)

Just like we had to do
You've got to dig a little deeper, dig a little deeper
