Feels like love  
Feels like love  
Hey, yeah, yeah, yeah

Chanel  
You got, me spinnin' now  
I feel your happiness all around  
I'm not sure what I'm getting into  
(Feels like love)

We're not the same, everybody knows  
That's the best thing about us though  
So hard to believe it, but it's true  
(Feels like love)

Chanel & Vik  
We see the world in different ways  
But I'm lovin' every minute of every day  
Against the odds we'll make it through

Chorus:  
Maybe this could be  
More than just fun  
This could be everything that I want  
What's happening to me  
Could you be the one  
This could be everything that I want  
I didn't know how good it could be  
And it feels like love to me

Feels like love  
Feels like love  
Hey, yeah, yeah, yeah

Aquanette  
I didn't know I could feel this way  
It's a new world, maybe that's okay  
You're like a part of me I never knew  
(Feels like love)

You're the one I need next to me  
But I know that it's hard to be

Living for everybody else but you  
(Feels like love)

Aquanette & Amar  
Real love's not supposed to be  
Afraid of what everybody thinks  
So, let's show 'em all what we can do

Chorus

Rahim  
I've got to say it now

Gita  
Seems too hard to do this

Rahim  
We're gonna work it out

Gita  
Nothing about us makes sense

Rahim  
I'll build a bridge from where I am  
To where you are

Rahim & Gita  
It shouldn't have to be this hard

Chorus

Feels like love  
Feels like love  
It feels like love to me  
Feels like love (like love)  
Feels like love (feels like love)  
It feels like love to me
