Marisol:

(OH)

Our world

Their world

We would dance and twirl

Chanel:

I don't know how

I listened now

I just wanna know

Marisol:

(You don't have to know)

Just follow your dreams

They'll take you where you want to

You're afraid it seems

Just follow your dreams

They'll take you where you want

Chanel:

Where I want

(Oh)

I can

Marisol:

Follow your dreams

Chanel:

Now I here I am

Hanging here in Barcelona

I'm not gonna be a silent clam

I'm gonna shout it out

Marisol:

(A la nanita Barcelona)

Chanel:

I'm ready to take a chance

Marisol:

(you don't have to take that chance)

Marisol & Chanel:

Just follow your (my) dreams
They'll take you (me) where you want to
Your (I'm) afraid it seems
Just follow your (my) dreams
They'll take you where you want

Marisol:
Barcelona
Follow your dreams

Chanel:
(oh)

Marisol:
Chanel, leave America
Come live with me in Barcelona
We can live with a touch
They don't really love you that much
A la nanita nana nanita ella, Chanel
A la nanita!

Chanel:
I'm gonna follow my dreams

Marisol:
Leave the past behind

Chanel:
I'm gonna let them lead me

Marisol:
Follow your dreams

Chanel:
A la nanita ella

Marisol & Chanel:
A la nanita nanita ella
Barcelona
Follow your (my) dreams

Chanel:
BARCELONA
