Ha, Ha, Ha
Yea
Here We Go!

We movin' just like the ocean
It's pullin' you in with every motion
You can't stop with a beat this hot
Como fuego, fuego (como fuego, fuego)
We bringin outta you the islands,
Oh so hot poppin' out the hydrants
In the streets all the kids they scream
Como fuego, fuego (Como fuego, fuego)

[Pre-Chorus:]
The O.C. to the Lower East Side
We're gonna set the night on fire
Jersey down to the Islands
It's all night long come on now
From Miami and LA to the chi
We're gonna set the night on fire
Hitsville to the ATL
It's all night long come on now

[Chorus:]
Ooh, Ah Just turn it up
We make it hot from the streets to the club
Ooh, Ah we turn it up
Como fuego, fuego (Como fuego, fuego)
Ooh, Ah Just turn it up
We make it hot from the streets to the club
Ooh, Ah we turn it up
Como fuego, fuego (Como fuego, fuego)

Party, fiesta, together, forever, siempre
Come on and sing this song (sing this song)
Party, fiesta, together, forever, siempre
We're dancin' all night long (all night long)

Won't stop 'til the moon is settin'
What you see now is what you gettin'
You can't quit with the heat so sick
Como fuego, fuego (como fuego, fuego)

So crowded like the city of people
Do it again let's read the sequel
You can't counterfeit this hit
Cuz it's fuego, fuego (Como fuego, fuego)

[Pre-Chorus]

[Chorus]

Baila conmigo
Come and dance with me (whoa)
Take a chance with me (whoa)
Feelin' like a dream
Now hold on if you can
Como fuego, como fuego
So baby take my hand (baila conmigo)

Yea, Yea, Yea, Yea, hey!

[Pre-Chorus]

[Chorus Till End.]
