(i should've seen it comin')3x

[verse 1]my sister been through it all no one could diss her or was it only just as we roll thought we'd be that way till we were gray and old then he came i fell in love then everything changed a perfect picture puttin' up frames heres how our differences in things would be the same

[chorus] girlfriend i thought you said you were my best friend so why ya tellin' all my business that would be better if you show me where we stand girlfriend i thought you said you were my best friend so why ya tell it to my boyfriend thought we knew better than to fight over a man

[verse 2] time passed feelings are bubblin' like a wine glass my girl wont call me 'cause of my man said we can't hang because i checked out of the game but fix that she went and pulled them tricks out the hat and tried to tell him how i did act whenever we were hangin' out back in the day oh i thought you'd be happy for me but instead you're spitting better be insulting how could you put my business in the street i found out what they meant by your best friend could be your worst enemy

[chorus]

I thought you'd be happy for me but instead you're spitting venom being salty how could you put my business in the street i found out what they meant by your best friend could be your worst enemy

(my girlfriend why you talkin' to my boyfriend,i thought you were my best friend i thought we were tight now you talikn' to my boyfriend you need to stop,hey girlfriend why you talkin' to my boyfriend i thought you were my best friend what happened...busted)

Oh oh oh oh girlfriend

[chorus]2x (fade out)
