(No chance. No way. I won't say it. No, no.)

If there's a prize for rotten judgement,
I guess I've already won that.
No man is worth the aggravation
That's ancient history, been there done that

Who ya think ya kidding,
He's the Earth and heaven too
You try to keep it hidden,
Honey we can see right through you
Girl you can't conceal it,
We know how ya feelin, who you thinkin' of

No chance, no way, I won't say it, no, no
(You swoon, you sigh, why deny it uh, oh.)
It's too cliché, I won't say I'm in love

I thought my heart had learned it's lesson
It feels so good when you start out
My head is screaming "get a grip girl."
Unless you're dying to cry your heart out (Oh no)

You keep on denying who you are and how you're
feeling
Baby we're not buyin', hun we saw you hit the
ceiling.(Oh no)
Face it like a grown up, when you gonna own up
That you got, got, got it bad

Chorus

No chance, no way, I won't say it, no, no
(Give up, give in. Check the grin, you're in love.)
You're in love, you're in love, you're in love
(You're doin' flips, read our lips, you're in love.)
You're way off base, I won't say it
Get off my case, I won't say I'm in love
(I won't say it. No, no)2x

Chorus

No chance, no way, I won't say it, no, no
Give up, give in, check the grin you're in love
The scene won't play, I won't say you're in love
You're doin flips, read our lips you're in love
You're way off base, I won't say it
So don't be proud, it's okay you're in love

No chance, no way, I won't say it, no, no
Give up, give in, check the grin you're in love
The scene won't play, I won't say you're in love, you're
in love

At least out loud, I won't say I'm in love
