Oh

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance, but you still catch my eye
Tell me baby, do you recognize me? (Do You?)
Well it's been a year, it doesn't surprise me
Happy Christmas

I wrapped it up and sent it
With a note saying "I love you", I meant it
Now I know what a fool I've been
But if you kissed me now, I know you'd fool me again

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special
Send all my love away

Last Christmas
Baby
Oo-oo oo-oo
Broke my heart
You broke my heart

A crowded room, friends with tired eyes
I'm hiding from you, and your soul of ice
Oh my I thought you were someone to rely on
Me, I guess I was a shoulder to cry on

A friend to discover with a fire in her heart

A girl under cover but you tore me apart
Now I've found a real love, you'll never fool me again

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll send it to someone special

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll send it to someone special
