Hey
Yay

(Chanel)
Love always finds a way
Every single time
Once we learn to trust our heart
(I know inside it gets us right)

(Dorinda)
Now, we see who we are
In a different light
We're not so far apart
(everything is possible)

(Aqua)
With all the differences, we're stronger here
Now the truth has been discovered, oh yeah
After all we've been through, now it's clear
That all of us, we share

(chorus)
One world, one love, one all
We're a circle together
One world, one heart, one song
Now and forever

Everybody celebrate
(bring on the party, bring on the dance)
Time to let the music play
(the party never ends)
Everybody, every girl
(turn up the sound, say it loud)
Everyone around the world
(come on and join hands)

(Aqua)
We're gathered here today
Everything is right

(Dorinda)
Cause when you give from the heart

The things you do come back to you

(Chanel)

There to be strong and brave
Not afraid to try

(Gita)

That's when we see who we are
The best of friends and that's when

(Aqua)

With all the differences, were stronger here
Now the truth has been discovered, oh yeah

(Chanel)

After all we've been through, now it's clear
We're all, right here, to share

(Chorus)

One world, one love, one all
We're a circle together
One world, one heart, one song
Now and forever

(Gita)

Ooohhhh I never knew that love
Would find a way to bring together both of us

(Rahim)

Now inside, I know it's true

(Gita and Rahim)

Cause what we have is meant to be, you let me be the
real me
Together here is where we belong

(Dancing)

One world, one love, one all
We're a circle together
One world, one heart, one song
Now and forever
One world, one love, one all
We're a circle together
One world, one heart, one song
Now and forever
We're a circle together
Now and forever
One world
