We can do anything  
just you and me,baby baby baby baby babe  
wait and see um hum

Hold on,  
Stay tight....  
Are you ready for a crazy ride?  
You're on you're own,  
It ain't right!  
Something's gotta give tonight!

So if you wanna run,  
Run and disappear!

You and I can bust our way  
Right out of here

Together we can!  
Shoot the moon,  
Stop the rain,  
Even ride a hurricane!  
if its alright

Together we can !  
Walk into space,  
Save the human race,  
If you think we oughta, oughta?

Here we take our time  
We can have it all  
I dont think were gonna make it on our own

Together we can  
Shoot the moon,  
Stop the rain,  
Even ride a hurricane,  
If its alright  
Together we can Walk into space,  
Save the human race,  
If you think we oughta, oughta, oughta!

Together We Can!!!
