We can do anything
just you and me, baby baby baby baby babe
wait and see um hum

Hold on,
Stay tight...
Are you ready for a crazy ride?
You're on you're own,
It ain't right!
Something's gotta give tonight!

So if you wanna run,
Run and disappear!

You and I can bust our way
Right out of here

Together we can!
Shoot the moon,
Stop the rain,
Even ride a hurricane!
if its alright

Together we can !
Walk into space,
Save the human race,
If you think we oughta, oughta?

Here we take our time
We can have it all
I dont think were gonna make it on our own

Together we can
Shoot the moon,
Stop the rain,
Even ride a hurricane,
If its alright
Together we can Walk into space,
Save the human race,
If you think we oughta, oughta, oughta!

Together We Can!!!
