She goes down to the baker

When she wants a cake

She goes down to the butcher

When she wants a steak

She goes down to the doctor

When she's got a cold

She goes down to the gypsy

When she wants her fortune told

[CHORUS]

But when she wants good loving

My baby comes to me

Ba ba ba ba...

Yeah, when she wants good loving

My baby comes to me

She comes to me

She goes down to her daddy

When she wants a mink

She goes down to the plumber

When she wants to fix her sink

She goes down to the cobbler

When she wants her shoes

She goes to see her Mama

When she's done got the blues

[Repeat CHORUS]

Ba ba ba ba...

When she wants good loving

My baby comes to me

She comes to me

She comes to me...
