I'm in the mood for love
Simply because you're near me
Funny, but when you're near me
I'm in the mood for love

Heaven is in your eyes
Bright as the stars we're under
Oh, is there any wonder
I'm in the mood for love

Why stop to think of weather
This little dream might fade
We put our hearts together
Now we are one, I'm not afraid

If there's a cloud above
If it should rain, we'll let it
But for tonight, forget it
I'm in the mood for love
