I gotta feeling that tonights gonna be a good night
That tonights gonna be a good night
That tonights gonna be a good good night (x4)

Tonights the night night
Lets live it up
I got my money
Lets spend it up

Go out and smash it
Like Oh My God
Jump off that sofa
Lets get it get it up

I know that well have a ball
If we get down
And go out
And just loose it all

I feel stressed out
I wanna let it go
Lets go way out spaced out
And loosing all control

Fill up my cup
Mazel tov
Look at her dancing
Just take it off
Lets paint the town
Well shut it down
Lets burn the roof
And then well do it again

Lets Do it (x3)
And live it up

I gotta feeling that tonights gonna be a good night
That tonights gonna be a good night
That tonights gonna be a good good night (x2)
Tonights the night
Lets live it up
I got my money

Lets spend it up

Go out and smash it
Like Oh My God
Jump off that sofa
Lets get get crunk

Fill up my cup (Drink)
Mazel tov (l'chaim)
Look at her dancing (Move it Move it)
Just take it off

Here we come
Here we go
We gotta rock

Easy come
Easy go
Now we on top

Feel the shot
Body rock
Rock it don't stop

Round and round
Up and down
Around the clock

Monday, Tuesday, Wednesday and Thursday
Friday, Saturday, Saturday and Sunday

We keep keep keep keep on going
We know what we say
Party everyday
P-p-p-party everyday

Got a feeling
That tonights gonna be a good night
That tonights gonna be a good night
That tonights gonna be a good good night
