"Breathe"

Oh, that song is singing
Singing in to me
Over everything
I used to be

Oh, that song is singing
Singing into me

Slow and sweet
It carries me
Carries me
Out to sea
And swallows me
Into the deep
And comforts me
And comforts me

Oh that weight is lifting
Lifting on me
It carries me
Out to the sea
And swallows me
And swallows me
And swallows me

Into the deep
And comforts me
And comforts me
In, into the deep
And comforts me
And comforts me
And comforts me

Breathe up to me
Breathe up into me
Breathe out through me
Breathe into me
Oh breathe out through
Through me
Why don't you breathe in
Breathe into me

And breathe out
Through me
