Haven't you seen me sleepwalking 'cause I've been  
holding your hand  
Haven't you noticed me drifting  
Oh  
Let me tell you I am

Tell me it's nothing  
Try to convince me that I'm not drowning  
Oh  
Let me tell you I am

Please  
Please tell me you know  
I've got to let you go  
I can't help falling out of love with you  
Ooh

Why I am feeling so guilty  
Why I am holding my breath  
Worry about everyone but me and I just keep losing  
myself

Tell me it's nothing  
Try to convince me that I'm not drowning  
Oh  
Let me tell you I am

Please  
Please tell me you know  
I've got to let you go  
I can't help falling out of love with you

Won't you read my mind  
Don't you let me lie here  
And die here

Please  
Please tell me you know  
I've got to let you go  
I can't help falling out of love with you  
With you

Ooh  
Ooh

Haven't you noticed  
I'm sleepwalking
