Haven't you seen me sleepwalking 'cause I've been
holding your hand
Haven't you noticed me drifting
Oh
Let me tell you I am

Tell me it's nothing
Try to convince me that I'm not drowning
Oh
Let me tell you I am

Please
Please tell me you know
I've got to let you go
I can't help falling out of love with you
Ooh

Why I am feeling so guilty
Why I am holding my breath
Worry about everyone but me and I just keep losing
myself

Tell me it's nothing
Try to convince me that I'm not drowning
Oh
Let me tell you I am

Please
Please tell me you know
I've got to let you go
I can't help falling out of love with you

Won't you read my mind
Don't you make me like you
And I hear

Please
Please tell me you know
I've got to let you go
I can't help falling out of love with you
With you
Ooh

Ooh

Haven't you darling
I'm sleepwalking
