Why do you keep looking out the window?  
Is there something left behind or never found?  
Mmm do I even want to move?  
How, if you knew what I was thinking  
I wonder if it'd even draw a tear  
Oh, there's just one way to find out

Go, Go, Go

Did sirens steal your heart when you weren't looking?  
Where'd you learn to lie the way you do?  
Looks like you made up your mind.  
I'd have to say I didn't see this coming  
But who does?  
You won't see me standing in the door

So Go, Go, Go

I don't want to hurt you  
(Do you ever listen?)  
I don't want to run.  
(You're not the only one)  
I don't want to touch you  
(I'm tired of being broken)  
Oh, Look what we've become  
(Look what we've become)  
I don't even care  
(I really need you)  
I don't want to

Go, Go, Go

I don't want to go  
(I don't want to stay)  
I don't want to stay  
(I don't want to go)
