She burns his evil heart with her evil eye  
She gets her wicked way with her wicked smile  
She takes him by the hand and leads him to the door  
It's not what he came here for  
He takes her to the gate and he says goodbye  
He walks the streets alone and he wonders why  
He takes her by the hand and leads her to the floor  
It's not what she came here for it's not what she's  
looking for  
Goodbye she wonders why  
She says what did i do what can i do  
I don't know what to say i just don't want to say  
Goodbye  
It makes her cry  
He says it's got nothing to do to do with you  
Why she wonders why  
She says i'll leave you alone i'll leave you alone  
Try they give it one more try  
She's on the floor he's out the door  
OUT OF SIGHT, OUT OF MIND  
Lyrics -- Greg Joseph  
You grew up in a sheltered world where money meant a  
lot  
Your mother was a faker your parents always fought  
The values they meant more before when i look at your  
place  
Your hair it cost a hundred dollars and there's shit all  
over your face  
Out of sight out of mind  
Too much money too much time  
□out of sight out of mind  
Too much money too much time  
The stories that we used to tell of how we'd beg and  
borrow  
I hear your son is screaming pop would you buy me a  
car tomorrow  
They sued the principal today for putting sister in her  
place  
But all she sees is a reflection and the razors in her  
face  
□out of sight out of mind

Too much money too much time  
Out of sight out of mind  
Too much money too much there's too much time  
Your father thought he sheltered you and kept you  
from temptation  
Now you watch a lot of tv and you tell him that you hate  
him  
Out of sight out of mind  
Too much money too much time  
□out of sight out of mind  
Too much money too much time  
Out of sight out of mind  
Too much money too much time  
□out of sight out of mind  
Too much money too much time  
Out of sight out of mind
