When I had you to myself
I didn't want you around
Those pretty faces always made you stand out in a crowd
But someone picked you from the bunch
One glance was all it took
Now it's much too late for me to go and take a second look

Oh baby give me one more chance
Won't you please let me in your heart
Oh darling I was blind to let you go
Now that I see you in his arms
I want you back
I want you back
I want you back

Trying to live without your love
Is like one long sleepless night

Let me show you boy
That I really know, I know wrong from right
Cause every street you're walking on
You leave tear stains on the ground
Follow boy, I didn't even want
Didn't even want you around

Oh baby give me one more chance
To show you I love you
Won't you please let me in your heart
Oh darling I was blind to let you go
Let you go baby
Now that I see you in his arms
Oh now that I see you in his arms
I want you back
I want you back
I want you back
