I didn't think you had it in you to up and move away  
All the dreams we shared baby well I hope you like LA

I was writing in my book of regrets how it seems like  
yesterday  
It's kind of funny how that so many things rhyme with  
gone away

I saw the sun when I hit the ground  
Took a look in the lost and found  
Lost my friends but I found myself okay

It wouldn't do us any good for me to try to make you  
stay  
It's kind of funny how that so many things time has  
washed away

I saw the sun when I hit the ground  
Took a look in the lost and found  
Lost my friends but I found myself okay
