I met a man out on a bridge pier  
He said he's gonna jump to save his soul  
I said what's the world done to make you mad man  
He said sit down son now here's the dope  
I can't find work 'cause i'm a blind man  
I can't see but sometimes i can see the light  
Now is my life a labor of love or is my life a love of  
labor  
I still got a hollow feeling in my life  
What a way to go  
What a way to go  
What a way to go  
What a way to go  
I met this girl her name escapes me  
Said son i'd love you to be my man  
She wrote her name out on a dollar  
I spent that dollar on a shot of jim  
Spent it on a shot of jim  
I talked him down and then i walked off  
I turned around and he was gone himself  
A mile down the road it came upon me  
It was me i talked off that ledge  
It was me i talked off that ledge  
It was me i talked off that ledge  
What a way to go  
What a way to go  
What a way to go
