Ive been chasin girls
Ive been drinkin beer
Ive been getting stoned right here
Ive been hangin out
Ive been livin large
I just wanna know whos in charge

Well this society is pretty sad when any half-ass
jock can make a million bucks even though all his
brains are in his
cock and balls go hand in gun like Kurt Cobain and
disenfranchised youth
If I could crash that party I could make a million bucks
too

Ive been chasin girls
Ive been drinkin beer
Ive been getting stoned all year
Ive been livin large
Ive been hangin out
Ive been learning how to pout

Well the economy is pretty good when any half-drunk
lass can buy a four-wheel drive with power heated
seats for her fat
ass and hole go hand in pocket like Alanis Morissette
and female angst
If I could tap her market I could buy a four-wheel drive
too

Ive been chasin girls
Ive been drinkin beer
Ive been getting stoned right here
Ive been hangin out
Ive been livin large
I just wanna know whos in charge

Ive been chasin girls
Ive been drinkin beer
Ive been getting stoned all year
Ive been hangin out
Ive been livin large

I just wanna know
Whos the idiot in charge here
