I'm never gonna smile
I'm never gonna stay for awhile
I'm never gonna laugh
You might as well just cut me in half

Just want to run
Just want to live til I'm done
Just want to be

As happy as I'm gonna be
And there's nothing on the inside
I'm not high on life I'm not drunk on love
I'm broken down not feeling right

I'm happy as I'm gonna be
When there's nothing on the inside
I'm not high on life I'm not drunk on love
Not feeling right

I'm never gonna find
The thing I need to make up my mind
I'm never gonna stand
Next to you I do what I can

Just want to run
Just want to lie in the sun
Just want to be

As happy as I'm gonna be
And there's nothing on the inside
I'm not high on life I'm not drunk on love
I'm broken down not feeling right

I'm happy as I'm gonna be
When there's nothing on the inside
I'm not high on life I'm not drunk on love
Not feeling right

I'm never gonna write
Lay with you or whisper goodnight
I'm never gonna call
That way I'll have nothing at all

Just want to run
Just want to live til I'm done
Just want to be
