I didn't think you had it in you to up and move away
All the dreams we shared baby well I hope you like LA

I was writing in my book of regrets how it seems like
yesterday
It's kind of funny how that so many things rhyme with
gone away

I saw the sun when I hit the ground
Took a look in the lost and found
Lost my friends but I found myself okay

It wouldn't do us any good for me to try to make you
stay
It's kind of funny how that so many things time has
washed away
I saw the sun when I hit the ground
Took a look in the lost and found
Lost my friends but I found myself okay
