Do do doom...

Till then, my darling  
Please wait for me  
Till then, no matter  
When it may be

One day I know  
I'll be home again  
Please wait till then

Our dream will live  
Though we are apart  
Our love will always  
Stay in our hearts

Till then, when all of  
The world will be free  
Please wait for me

Although there are  
Oceans we must cross  
And mountains  
That we must climb

I know every gain  
Must have a loss  
So pray that our loss  
Is nothing but time

Till then, we'll dream  
Of what there will be  
Till then  
We'll call on each memory

Till then  
When I will hold you again  
Please wait till then
