Geah
Geah
(C?mon)
Sendin? this one right here
To all the girls out there that get down like they live
Fuck it
Roll with the hoo-bangers
Geah
You like the way I get down like y?all live
Check it out

Ya'll know the bitch
I need, nuthin but cash and weed
Out of town trips, slips my cash with speed

Don?t get it twisted, no captain
But I?m cappin? and duckin?
While a hoe hides me out and I?m steadily fuckin?
Doin' your thang

While I teach you how to hop on planes
Get this cream from this fool with the country name
Same day you get back, my bankroll stack
As a matter of fact, you know I like that

Sticky bitches have niggas straight spendin? they
dough
Ya know cash runs everything around a hoe
Greedy as fuck, a chicken tryin? to scheme on chickens
Greedy as fuck, to pay the bitch, she keep on lickin?

I love the hoe
She?s out to get my paper fo? sho?
Anytime and place she ready to go

Love scratch
No pigeon in the world could match
Simple as fuck
Hood rats ain?t hard to catch
Geah

Hood rats

We lovin 'em ho's, we lovin 'em ho's
C'mon, geah
Sing with me
C'mon geah

Sneaky 'cause she wanna just fuck for ends
Fuck and spend, fuck, run tell yo' friends
All of ya'll do their fuckin' shit
All your homegirl, bitch, who you fuckin' with
Gossip you spit

Put each other up on game
On which nigga's got chips, routine's the same
Shakin' that ass with the jiggle and twitch
In the club bustin', knowin I'ma want that bitch
You ain't seein a nigga ghetto rich

Ghetto fab, ghetto star
Hop off stage, [unverified] bless thou [unverified]
No questions asked, that's the role you play
You hit me up on Monday
Fuck the bitch anyway

It ain't nuthin'
And leave suckas say, 'The bitch good for somethin'
Anywhere, any day, any hour
In front of anybody, in the shower
Geah

Hood rats
I'm lovin 'em ho's, I'm lovin 'em ho's
Geah ya know how it goes
Hood rats
Geah, check me out

Is she or she not the top notch?
Watch the peddle pushers and rocks in a [unverified]
How she cop, bitch flips, trips, no sleepin'
Back to the club where she strips on a weekend

You know what I'm speakin' she's out to get yo' bread
[Unverified] up, choke up, showin' some leg
Get down like you live and get down on a dime
You bring yo' home girl, that's fine

Who is better?
I got the cheddar ready to spend
With a video tape so I can record the date
Fuckin' with Eih it's all good
Now back that ass up like you know you should

Know the game alive, toss chips
Watch you get down and start movin? the crowd
Geah, say it loud
Hoo-bangers, we get down on that shit, you know
