I love you (I love you)
For sentimental reasons

I hope that you believe in me
(Believe in me)
I've given you my heart
(My heart, given you my heart)
(My heart, given you my heart)

Yes, and I love you (I love you)
And you alone were meant for me
Please give your loving heart to me
(Heart to me) and say we'll never part
(Never part, say we'll never part)
(Never part, say we'll never part)

I think of you every morning
Dream of you every night
My darling, I'm never lonely
Whenever you're in sight

Yes, and I love you (I love you)
For sentimental reasons
I hope that you believe in me
(Believe in me)
And say we'll never part

(Never part, say we'll never part)
No, no, no, never
(Never part, say we'll never part)
Darling, never
(Never part, say we'll never part)
My, my, my, my
(Never part, say we'll never part)
I've given you my heart
