She's got her name on the A-list everywhere  
Nobody knows where she came from  
No one cares

Cause she's a Poptart  
Slash movie star  
Get the picture?  
HEY HEY HEY  
Look out U.S.A

She's got vanity in her veins  
Blue blood don't mean a thing  
She waves a backstage pass  
Where nothing's for free  
She's American, American, royalty

She's spending millions on her trust-fund to be seen  
She's on the cover of her favourite magazine

Bubblegum type  
Slash socialite  
Could it be accident  
Next thing,  
She'll be president

She's got vanity in her veins  
Blue blood don't mean a thing  
She waves a backstage pass  
Where nothing's for free  
She's American, American, royalty

Here's the end of story but the madness don't stop  
Records sales have fallen and TV shows flop  
People dry your eyes, she don't need your sympathy  
She's American-

HEY HEY  
HEY HEY  
HEY HEY

She's got vanity in her veins  
Blue blood don't mean a thing

She waves a backstage pass  
Where nothing's for free  
She's American royalty

She's got vanity in her veins  
Blue blood don't mean a thing  
She waves a backstage pass  
Where nothing's for free  
She's American, American, royalty
