Well, your tv's on so i
Know your home for sure

I got a new set of wheels
We can go for a ride
Why you waiting the
Night has just begun

I'm gonna make you come to a
Oh oh oh oh
To a headlight disco

Oh oh oh oh
To a headlight disco

(keep your eyes on the road)
(headlight disco)

At full throttle now
Takes me to the top

Red and blue and hue

(ain't gonna stop)

Give me the green light
Don't worry, baby

Are all in tune
A thousand cars
A disco ball when
The headlight moves
Were gonna dance
To see the sun

(headlight disco)

Oh oh oh oh
To a headlight disco
(headlight disco)

Oh oh oh oh
To a headlight disco
(headlight disco)

Oh oh oh oh
To a headlight disco
(headlight disco)

(headlight disco)
(keep your eyes on the road)
(headlight disco)

(headlight disco)
(keep your eyes on the road)
