She calls me baby
Then she won't call me,
Says she adores me
And then ignores me.

Jenny
What's the problem?

She keeps her distance
And sits on fences
Puts up resistance
And builds defenses

Jenny
What's the problem?

You leave me hanging on the line,
Everytime you change your mind.

First you say you won't
Then you say you will
You keep me hanging on,
And we're not moving on
We're standing still, Jenny
You've got me on my knees
Jenny
It's killing me

She needs her own space
She's playing mind games
Ends up at my place
Saying that she's changed

Jenny
What's the problem?

I'm trying to read between the lines
You got me going out of my mind

First you say you won't
Then you say you will
You keep me hanging on

And we're not moving on.
We're standing still, Jenny
You've got me on my knees

Jenny
It's killing me...
It's killing me...
It's killing me...

Jennnnny...

First you say you won't
Then you say you will
You keep me hanging on
And we're not moving on
We're standing still, Jenny
You've got me on my knees

Jenny...
First you say you won't
Then you say you will
You keep me hanging on
And we're not moving on
We're standing still, Jenny
You've got me on my knees

Jenny...
It's killing me...
It's killing me...
