I'm not all here  
and that's a hard place to be  
when your arms, they won't let go of me  
so I hold you back,  
it's all i know how to do  
when your love falls down with you

I picked it up  
and made it look just like new  
and we made it last, like long we do  
Till it ran out  
and we were left without  
someone to run to

Oh, I'm willing to try  
but finding out that I'm not playing the games you're  
saying we should play  
and now it's clear  
that we're still hoping  
these doors will open to our love, our time, our space  
to our love, our time, our space

when I'm away  
chasing down restless nights  
savin up my love to keep for us  
but it slips through,  
never to be held again  
empty hands can't be for you

Oh, I'm willing to try  
but finding out that I'm not playing the games you're  
saying we should play  
and now it's clear  
that we're still hoping  
these doors will open to our love, our time, our space  
to our love, our time, our space

will come when it does,  
calling for us

Oh, are you ready to see

I'm waiting to try  
but finding that I'm not playin the games you're saying  
we should play  
and now it's clear  
that we're still hoping  
these doors will open to our love, our time, our space  
open to our love, our time, our space

to our love, our time, our space  
to our love  
to our love, our time, our space
