Morning light  
Could you help me open my fragile eyes  
Shake me out of silence  
There you are  
There you are  
Lost at sea  
Counting on the winds and they carry me back into my  
early days  
There you are  
There you are  
Trusting sky? just in time  
There you are ohhhh  
There you are ohhhh  
Memories took me to another page  
Honesty is written right in front of me  
There you are  
There you are  
Now late unwind  
There isn't always clearly time  
There you are ohhhh  
There you are ohhhh  
Now show me  
I'll be waiting alone in the dark  
There you are  
There you are  
There you are ohhh  
There you are ohhh  
There you are ohhh  
There you are ohhh  
Now show me  
I'll be waiting alone in the dark  
There you are  
There you are  
There you are
